Data Back Up Software, Data management- Simplified

Atempo is the leader in trusted Information Lifecycle Management. Atempo's solution enables corporations to protect all their digital assets and secure those assets against tampering and theft over their information lifecycle.

Atempo's Time Navigator software suite delivers enterprise-wide secure data protection and storage security, enabling corporations to meet critical business requirements including digital privacy, regulatory compliance, non-repudiated long-term archiving, and business continuity. Their Head Office In India is located at New Delhi.

ASG Software Solutions on 12/12/2011 at Naples Florida announces that it has acquired Atempo, a leading provider of data protection and backup management software headquartered in Palo Alto, CA. The integration of Atempo's backup and archiving solutions expands ASG's ability to automate and simplify the management of complex IT environments to reduce risk and improve service delivery throughout the IT lifecycle.

ERP SOFTWARE

FACT has their Global Head Quarter at Singapore. For more than 23 years, FACT Software has been helping the growing Small & Medium Enterprises become more efficient, more productive, and hence more profitable.

They help our clients by reducing duplication, processing transactions in real time mode, helping the senior managers get updated reports instantaneously and take all decisions based on real time reports, instead of double-guessing the situation. In the process, our clients gain a greater insight into their businesses, not possible otherwise.

They are based at Kolkata in India.

FACT.
